

## **St. Meera's Public School, Perambra**

### **Annual Report 2019-20**

We have impeccably passed 21 victorious and marvellous years since the inception in 1998. We deciphered the infantile hiccups by the concrete and overwhelming support of the parents and the well-wishers.

Our School was affiliated to CBSE New Delhi in the year 2003.

The first batch of X<sup>th</sup> Standard came out with flying colours and brought laurels to the institution. The results in subsequent years augmented the fame and the prestige of the school.

→The school reopened on 12<sup>th</sup> June 2019 with much hopes and joy for a fruitful academic year.

→The total strength of our school was 1028 from class 1 to 10 and 55 trained and well experienced dedicated teachers who strive hard to mould the students to reach out their aims and dreams.

→Envisaging the overall development of the children the school has taken up a number of activities.

→On World Environment Day (5<sup>th</sup> June 2019) students participated in Tree plantation. The senior students gifted saplings to the junior students and planted in the school compound. Awareness campaign were setup by class X students in conserving wet lands and wild life. X<sup>th</sup> standard displayed a beautiful presentation regarding environmental conservation.

→A quiz competition was held on 15<sup>th</sup> August 2019 in connection with Independence Day celebration.

→School kalotsav was conducted in the month of August. The students were grouped in to four houses and inter-house competitions were conducted as usual.

→A true inspiration has the power to overcome all the challenges. Self evaluation is the best panacea for success and growth.

→We are proud to say that we have arranged inspiring classes for teachers and students. Motivation classes for the students were conducted in the month of November and January. Principal and teachers attended many training programmes including Capacity Building Programmes conducted by CBSE and other agencies.

→We introduced ATAL THINKERING LAB funded by ATAL INNOVATION MISSION ,NITI Aayog for the students to create scientific temper and innovation among young minds.

→ Class assembly was conducted on all working days and school assembly was also conducted.

→The new assessment structure introduced by CBSE is followed in the year 2019-20 in scholastic as well as co-scholastic aspects of pupil's growth.

→Bal Kalotsav was celebrated on 14<sup>th</sup>& 15<sup>th</sup>of November in connection with Children's Day celebration.School Annual Sports was conducted in the month of November and the winners were honoured.

→Students of classes 6-10 are enrolled in various clubs like Social Science Club, Literary Club, Science Club, Eco Club etc... All the clubs are functioning with various co-scholastic perspectives, initiating many social service activities.

→In the Smart Energy Programme pupils participated in quiz programme, cartoon contest, painting and essay writing contest

→Students of 8,9,10 were taken for a field trip on June 19<sup>th</sup>to the Seed farm Perambra. They got chance to experience paddy cultivation using modern technology.

→On Agricultural Day students of 6,7 &8 attended a seminar and exhibition held by Indian Institute of Spices Research Centre Peruvannamoozhi.

→Training for Dance, music, tabla, guitar, flute, keyboard, western music, drawing & craft was given for the students to develop their innate talents.

→Various sports and games items were practiced in the school like Athletics, Badminton, Volleyball& Football,Kho-Kho etc..

→Taekwondo& Karate were also trained in the school

→Yoga day was celebrated on 21<sup>st</sup> June. Yoga was practiced by many students.

→Reading day was celebrated on 19<sup>th</sup> June with various programmes like reading contest, quiz contest, essay writing etc..

→Moon day was celebrated with various programmes on 20<sup>th</sup> July.

→Medical Check up was done for all the students from I to X.

→Road safety week was observed from 11<sup>th</sup> – 17<sup>th</sup> January.

→Mother tongue day was celebrated on 21<sup>st</sup> February with various programmes.

→On 28<sup>th</sup> February (Science Day) an exhibition was organised by the Science club.

→We have made our presence solidly felt in and around Perambra. Our aim is to foster modern values such as scientific temperament, secular outlook, free thinking, spirit of tolerance and to enable the students to mingle with the divergent culture and creed. We hope we have succeeded in attaining this goal to a great extend.

→The 17<sup>th</sup> batch of Xth standard is being trained for the All India Secondary School Examination to be held in March 2021 and we wish them all success. Let us pray to the God Almighty to shower his choicest blessings upon us in all our endeavour.
